## Better snow, better business

Vail Resorts reports 5.5 percent increase in skier days over last year; lift ticket, dining and ski school revenues are each up double digits. **A4**

### BOOK SIGNING FUN IN EDWARDS

Colorado author Barbara Stafford, left, signs a copy of her book "Eclectic Entertaining," for Bill Smith after he purchased it during the Local Author Showcase event on Tuesday at The Bookworm in Edwards. The event brought together six local authors for the public to meet and greet over food and drinks. DOMINIQUE TAYLOR | dtaylor@vaildaily.com

**Not everything in life is straight.**

**Your SMILE Should Be!**

**Did you know?** Poorly aligned teeth can lead to teeth cracking, cavities, periodontal disease, and premature wear. Invisalign's revolutionary technology enables teeth to shift gracefully into position, without brackets or wires.

**So, all you see is a STUNNING, STRAIGHT SMILE!**

**2013 PREFERRED PROVIDER**

**Dr. David Maloley** ...is also an Invisalign patient. He practices what he preaches and believes in conservative dentistry by correcting teeth naturally, whenever possible.

**Are you a good candidate for Invisalign?**
